

# STATE ROAD (S.R.) 369 (CRAWFORDVILLE HIGHWAY) FROM SOUTH OF EAST IVAN ROAD TO NORTH OF S.R. 267 RECONSTRUCTION PROJECT, WAKULLA COUNTY

## Temporary Traffic Diversion for Driveway and Road Closures

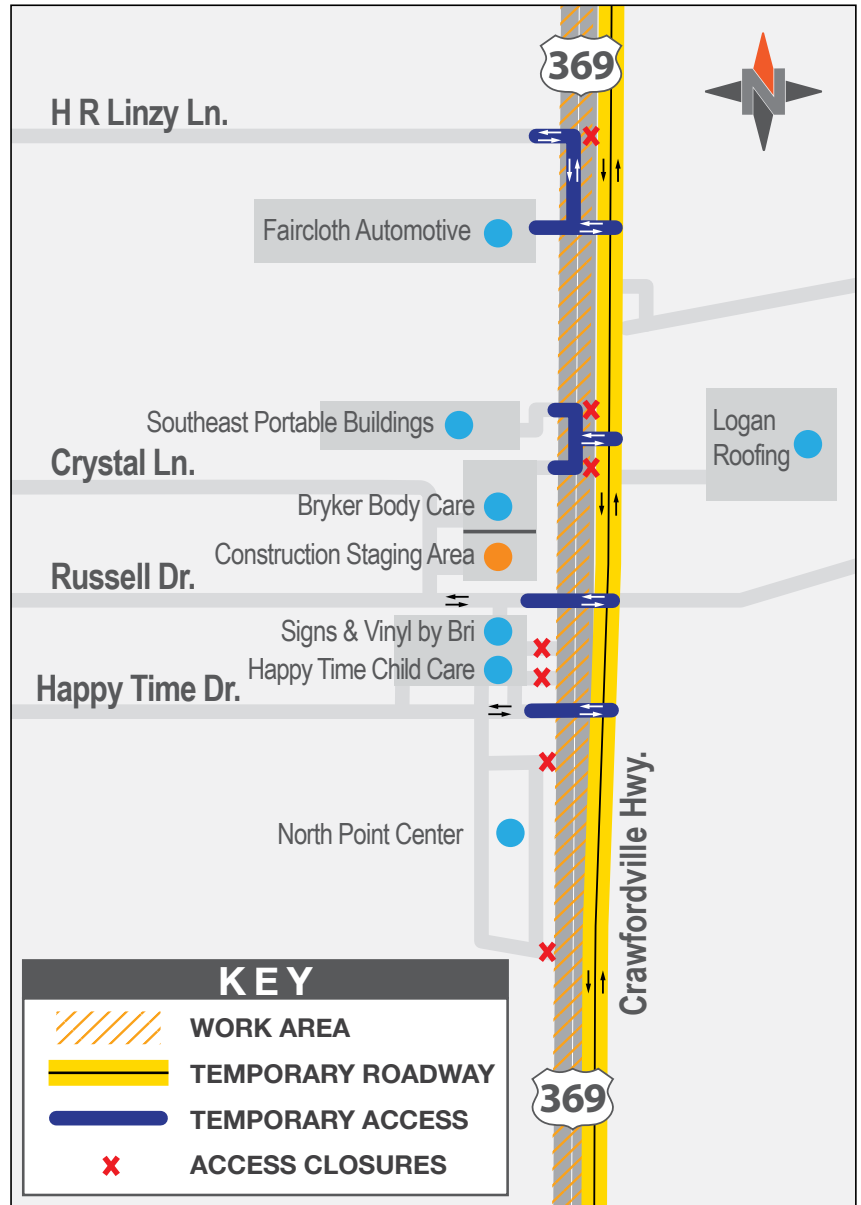

FPID: 220495-7-52-01

The Florida Department of Transportation (FDOT) is reconstructing a 3.5-mile segment of State Road (S.R.) 369 (Crawfordville Highway) from South of East Ivan Road to North of S.R. 267 in Wakulla County.

Beginning the week of Jan. 3, 2022, north and southbound traffic will shift to the newly constructed temporary roadway on the east side of the existing S.R. 369 (U.S. 319/Crawfordville Highway) roadway from south of East Ivan Road to south of S.R. 267 near Edgewood Road as crews construct the new permanent roadway.

Existing driveways and sideroads will be temporarily impacted in a phased approach. Temporary driveways and side road connections will be constructed (see map) along the west side of this area. Temporary northbound left turn lanes will also be constructed at Happy Time Drive and Russell Drive. Message boards and signage will be in place to notify drivers.

All planned construction activities are weather-dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to use caution when traveling through the work zone and to watch for construction workers and equipment entering and exiting the roadway.
