**The Florida Department of Transportation (FDOT) invites you to attend** a public hearing for improvements on State Road 83 (U.S. 331) from north of Bob Sikes Road/Corbett Drive to Bruce Avenue Tuesday, September 24, 2019 at the DeFuniak Springs Community Center. The hearing will begin as an open house at 5:30 p.m. with a formal presentation at 6 p.m., followed by a public comment period. FDOT representatives will be available to discuss proposed improvements, answer questions, and receive comments.

This hearing is being held to provide interested persons an opportunity to express their views concerning the

proposed improvements. The intent of this project is to improve access on U.S. 331 from the DeFuniak Springs shopping center to north of Bruce Avenue. The existing raised median and landscaping would be removed and a two-way left-turn center lane constructed. No additional right-of-way will be needed. The project is not funded for construction in the department's Five-Year Work Program at this time.
