

Robbins Bridge Road over Ten Mile Creek Bridge Replacement Holmes County

Existing Robbins Bridge Road
over Ten Mile Creek Bridge

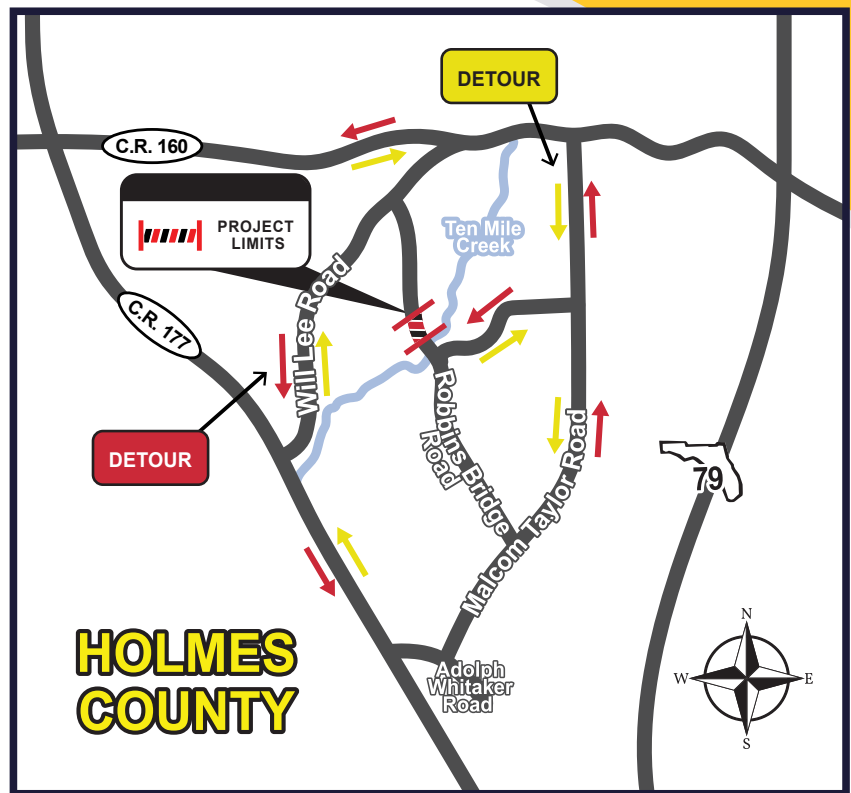

Project Description:

The Florida Department of Transportation (FDOT) will replace the wooden bridge on Robbins Bridge Road over Ten Mile Creek with a concrete structure. The bridge replacement project will include widening the roadway to accommodate 10-foot lanes and two-foot shoulders, paving the approaches, placement of new signs and pavement markings, and minor drainage upgrades. Additional right-of-way will be required for the construction of the concrete bridge.

Traffic Impact:

Robbins Bridge Road will be temporarily closed at the bridge and traffic detoured for about six months. See map for detour.

Financial Project Identification Number: 439376-1-52-01

Anticipated Start Date:

Spring 2023

Anticipated End Date:

Winter 2023

Project Length:

550 Feet

Typical Section:

The two-lane concrete bridge will provide a ten-foot wide travel lane with a two-foot wide shoulder in each direction.
