

Florida Department of Transportation District Three

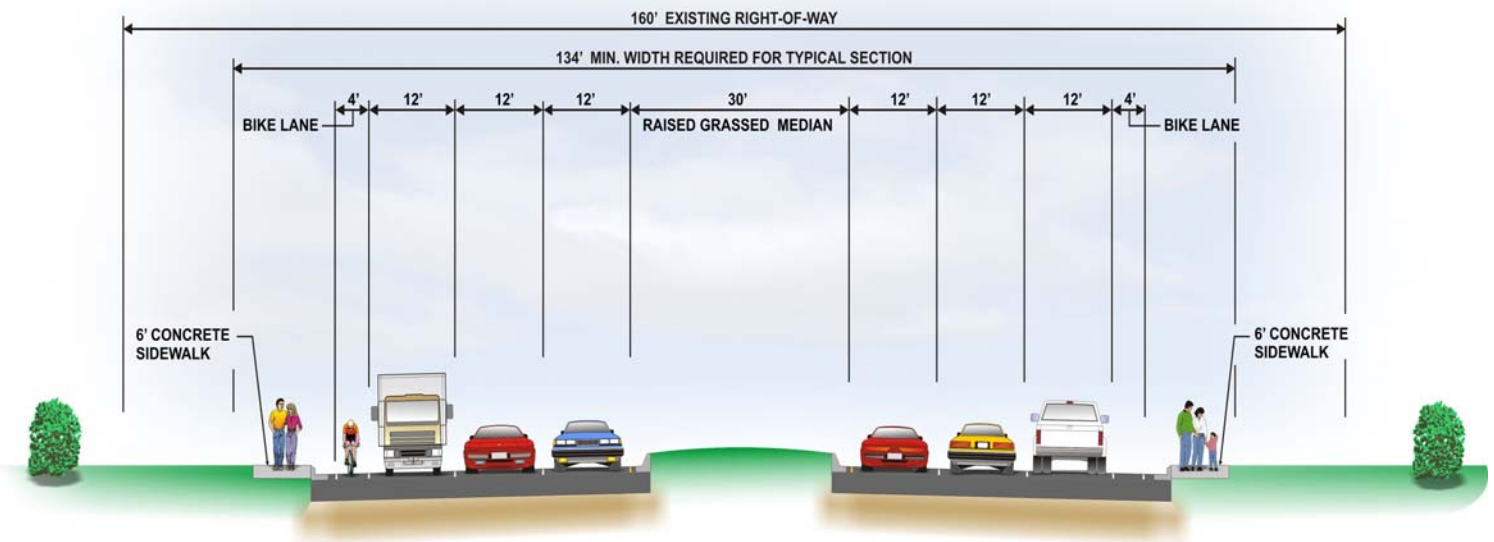

Financial Project ID: 220440-1-52-01
 State Road (S.R.) 30 (US 98) from Bayshore Road to Portside Drive
 Santa Rosa County, Florida

Public Involvement

The Florida Department of Transportation (FDOT) is committed to involving the public in transportation projects and obtaining input from the people who use the proposed transportation systems. This meeting will provide citizens an opportunity to preview the proposed design and ask questions regarding the project.

Project Description

The proposed project will reconstruct S.R. 30 from Bayshore Road to Portside Drive with a six-lane divided, urban roadway that will include four-foot bike lanes and six-foot sidewalks. Other improvements along the project will include the construction of stormwater management ponds. Additional right-of-way will be required at some intersections and at the locations for the stormwater management ponds. The project extends from the eastern edge of the Naval Live Oaks Reservation to just east of the Portside Drive intersection, a distance of approximately 4.25 miles.

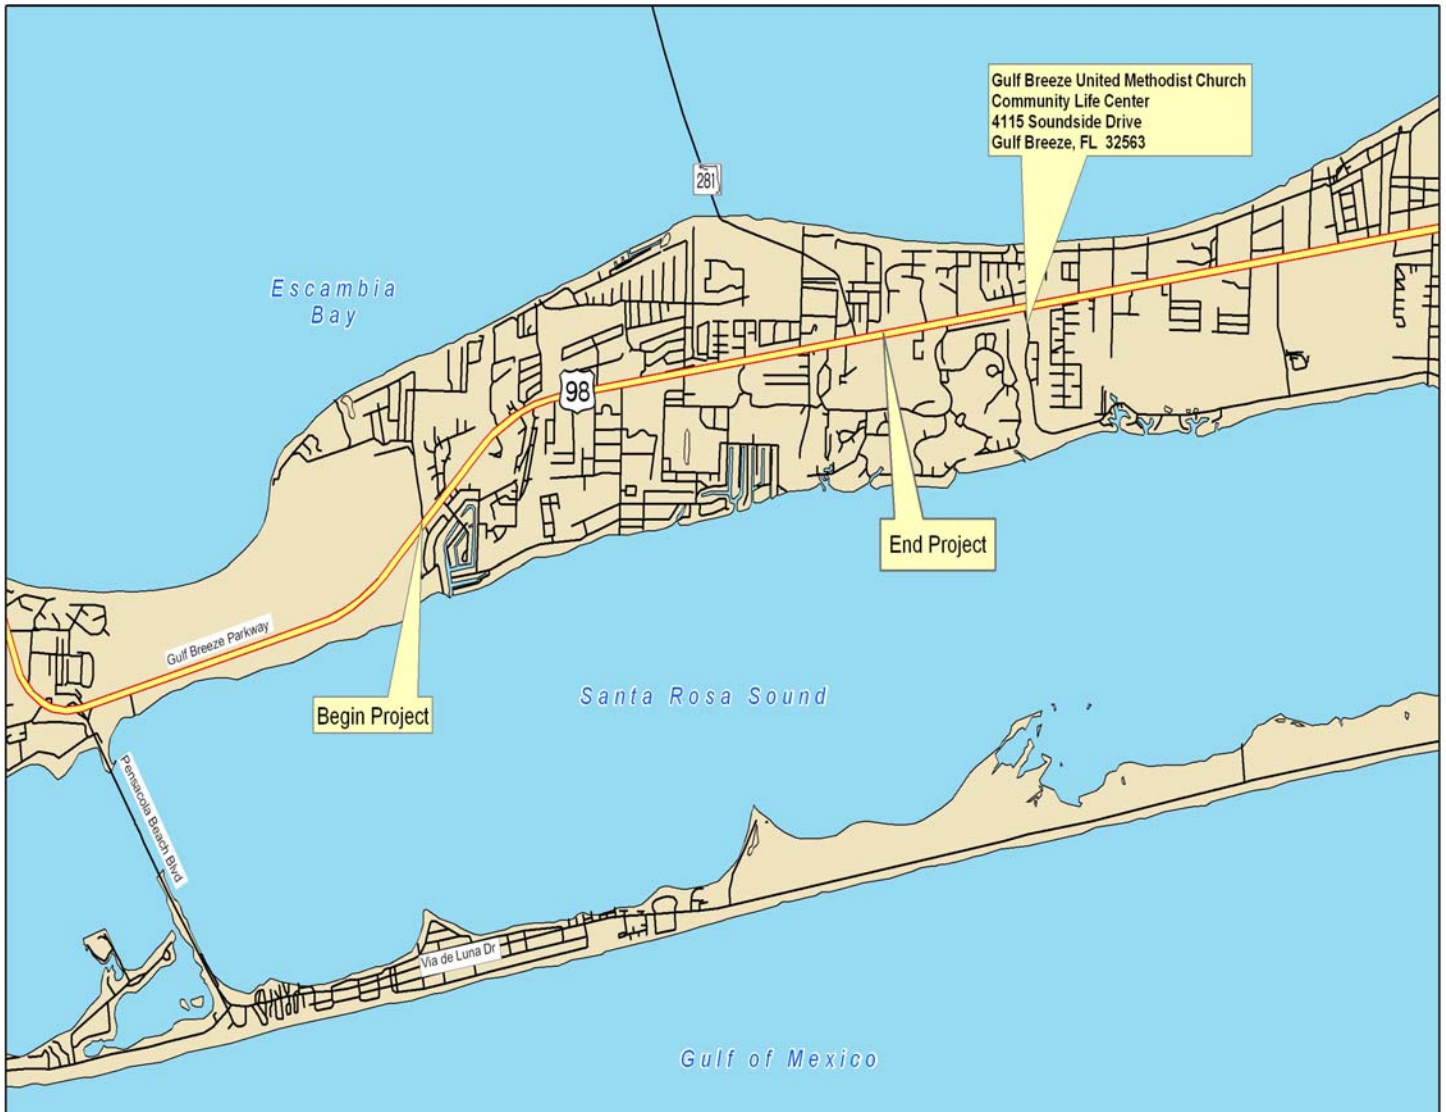

Project Development Schedule

Task	Schedule
Final Design	To Be Completed Spring 2011
Right-of-Way Acquisition	Not scheduled
Construction	Not scheduled

Public Information Meeting
 October 28, 2010
 5:30 PM—6:30 PM

Gulf Breeze United Methodist
 Church Community Life Center
 4115 Soundside Drive
 Gulf Breeze, FL 32563
